

CTF would like to invite you to attend one of our special events In May for NF Awareness Month

We are very lucky at the Children's Tumour Foundation to partner with many wonderful organisations and this allows us to increase awareness about neurofibromatosis (NF) within the general community as well as support us financially. CTF events are a great opportunity for individuals, parents and children to get together with others in the NF community and exchange information, have fun and make new friends in a supportive environment. Check out what's on and book yourself and your family into one of the following events.

BIG NEWS! We welcome Big4 Easts Beach Holiday Park Kiama as our newest partner!

As one of the premier holiday parks on the south coast of NSW, Big4 Easts Beach Holiday Park in Kiama is offering us their entire Holiday Park for a whole weekend at no cost from 5 to 7 May. This is such an amazing offer and we are very humbled by their generosity.

Whilst we do appreciate this is restrictive depending on where you are located, we would still love to offer this to all of our NF community Australia wide and hope the expenses paid weekend will help subsidise any additional travel costs you may incur.

As we are fully expecting to be oversubscribed for this weekend, we are asking people that are interested in attending, to fill in the ballot form contained in the link below, and we will draw names to see who will be joining us. The lucky families will be notified on Monday 3rd April. We ask that you confirm your acceptance and commitment to attend by Wednesday 5th April and pay a refundable deposit of \$100.00. The only other cost to you will be a \$25.00 key deposit payable on your arrival and refunded when you leave.

CTF will provide all the catering so if you want to come, [click here](#) to complete the application and enter the ballot.
